This Week's News

A word from the principal and welcome to the fourth week of term 4

Please continue to insist that going to school every day is an expectation, unless illness prevents this. Let's aim for 100% attendance for next week.

A reminder that next Monday, November 4th, is a pupil free day for report writing. The following day, Tuesday, November 5th, is the Melbourne Cup public holiday. Students are not expected at school for these two days.

Monday, November 11th is Remembrance Day and we are taking part in the ceremony at the Nathalia Memorial Gardens. This is an annual event which the school participates in and we will contribute to the service by bringing our own handmade poppies to lay at the cenotaph. A permission form accompanies today's newsletter for families to sign. Please return this form to school no later than this Friday, November 1st.

Our Year 5 & 6 students are invited to attend an afternoon of yachting at Lake Victoria, on Wednesday, November 13th in Shepparton. This is a valuable as well as fun session which allows students to learn how to safely operate a small yacht in a real life setting. A permission form accompanies today's newsletter, which needs to be returned no later than this Friday, November 1st.

Our Learning Intention this week for reading is to build vocabulary knowledge as we read. For writing we are looking at and using Voice, one of the 6 traits of writing. In numeracy, our focus is on division.

Have a great week everyone,
Susan Olley

This is a message from Alayah to let everyone know that we no longer need to collect any more plastic bottle tops. The organisers have announced that they now have a sufficient supply. Thank you to all of the families who helped Alayah with the collecting.
