This Week's News

A word from the principal and welcome to the seventh week of term 3

A reminder that our 15 Mile Creek camp is in the 1st week of term 4. It is a 4 day camp, beginning Monday, October 7th to Thursday, October 10th at Greta, near Wangaratta. Please fill out the consent form, the medical information form, asthma update form (if required), the action plan for anaphylactic/allergic reactions (if required). These forms will need to be completed and returned to school by next Monday, September 2nd. The cost of the camp is \$50 per child for the 4 days. The cost of this camp has been heavily subsidized to make it affordable for all families.

Our trip to the National Gallery of Victoria, Melbourne is this Thursday, August 29th. The bus will leave the school at 7.30am sharp. The students will need to be at school no later than 7.15am. Lunch, snacks and 2 bottles of water will be necessary for this trip. We anticipate being back at school at approximately 6pm. All students must be wearing their full school uniform.

As our weather begins to warm up, it is important that every student has a water bottle on their table during the school day. Please make sure that your child comes to school with a fresh bottle of water because it helps to hydrate the brain, therefore improving concentration.

This week, our learning intention in reading is to use inferring as a reading strategy. The students will focus on editing and punctuation in their daily writing. For mathematics, the students will be investigating and comparing time.

[Please keep inspecting the hair/heads of your children regularly.](#)

Have a great week everyone.

Susan Olley

Our school is committed to child safety. We want children to be safe, happy & empowered. We support & respect all children, as well as our staff and volunteers.

P & F NEWS

FATHERS' DAY

This Friday, August 30th, P & F will provide a BBQ at the school for all of our dads/grandfathers/special uncles/family male friends to celebrate Fathers' Day. There will also be a raffle drawn at the BBQ. P & F request that families bring along a small plate of either sweets or savoury food to accompany the sausages and hamburgers.

Please bring along small Fathers' Day items for the stall by the end of this week. We have some donations, but more would be much appreciated.

The Repco vouchers sent home last week are coming in from many of the families. Thank you for coming on board with this. If you still have yet to sign the voucher, please do so by tomorrow, Wednesday, August 28th and return the top part to the school to enable us to gain some extra prizes in time for the Fathers' Day raffle.

Please continue to sell the raffle tickets and bring them and the money to school by this Thursday, August 29th.

Vision & Values for the school:

Our school strives to promote **wellbeing, health and happiness in you, me and everyone** so we can become **successful learners**.
We do this by **Sharing the Knowledge**.
